

EasyDrainer®

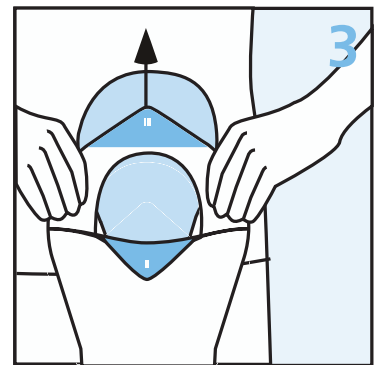

Instruction

Open the bag with **EasyDrainer**.

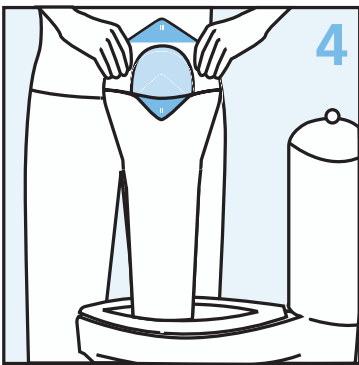

Unfold **EasyDrainer**.

Insert the colostomy bag into **EasyDrainer**.

Fix **EasyDrainer** with the tape if necessary.

Place **EasyDrainer** into the toilet bowl.

Open the drain and transfer the content of the colostomy bag into **EasyDrainer**.

Clean the end of the drain and roll it into the close position.

Drop **EasyDrainer** into the toilet and flush.
